## Caribbean Steel Band Music

### SOLO PAN PLAYER

Options from slow, low volume, gentle background music to create that perfect mood by blending into the background ... To the hard, loud, pumping and thumping Sounds of the Caribbean & Latin Americas ... (or a blend of the two). Soca, Calypso, Reggae, Salsa, Latin, Ska, Jazz, Blues, Country, MoR, Pop, Tango all with a unique Caribbean Flava

### WHO IS DAVE VINE?

"Dave Vine is the heart beat of The Pan Café. A talented musician, performer, song writer, recording artist, with over thirty years experience playing, tutoring and entertaining all over the world"

### WHAT IS THE PAN CAFÉ SOLOIST ... ACT?

The Pan Café/Dave has been one of the few acts in the UK and Caribbean who have been instrumental in developing, promoting and advancing this unique form of musical entertainment. I am now a proud citizen of the United States of America, residing here in Arizona and want to share my wealth of experience, knowledge and talent.

### IT IS EFFECTIVELY A ONE MAN BAND

Dave Vine + Pro Backing Music + Music Player + PA System = Fun And Enjoyment

### HOW CAN THE PAN CAFÉ BE GOOD FOR YOU, YOUR SPECIAL DAY, BUSINESS OR EVENT ...?

- **Cost Effective:** With prices starting from \$150 you can consider The Pan Café to fulfill a range of applications and functions where a full size band would not be considered an option
- **Unique:** A new concept proven over many years - Think about it a full sized caribbean band sound in a small, compact unit
- **Compact:** A soloist could occupy a space no greater than 2m sq. - yet have the sound of a full 6 piece Jazz, Blues, Pop or Caribbean band
